

1, K-LOVE radio provides a great service to the Christian community in the metro Phoenix area. It provides quality commercial free programming, providing quality Christian music and inspiration which has been a great blessing to my family and I. There are many of our friends and associates who thoroughly enjoy and appreciate the quality of broadcast K-LOVE provides to us.

2. If K-LOVE were displaced by a LPFM without the same family friendly, and supportive programming we would suffer a great loss in our personal and family lives. We have grown to love K-LOVE and their awesome and feeling staff.

3. My family and I feel that K-LOVE radio provides an extremely valuable and unreplaceable service to the Christian community here in greater Phoenix. Besides providing great commercial free Christian music and inspiration, they keep us up to date on all the concerts and various church activities in the valley, which is a great service to us as born again believers, who enjoy celebrating and worshipping together as the Body of Christ here in this area.
